

Peninsula Community Planning Board

PARK AND RECREATION SUB-COMMITTEE

CHAIR: MIKE RYAN

Members TBD

Meetings TBD

Mission Statement: To support the creation of and ongoing operation of safe and welcoming recreational areas (parks) for the Peninsula community to enjoy.

Goals: To reach out to the local residents, park and recreation officials and law enforcement for suggestions and ideas to improve our parks and recreation facilities to the satisfaction and safe enjoyment of the Peninsula community.

(as of 6/14/2011) Immediate needs from community input:

- Help the Sunset Cliffs Natural Park Council and their efforts to fix critical drainage issues with PLNU at the California Coastal Conservancy Hillside Trails Project.
- Investigate NTC Boat Channel issues as it is scheduled to become the jurisdiction of the San Diego Park and Recreation Department
- Investigate reuse of NTC USS Recruit to be incorporated into NTC Park system.
- Work with the Dusty Rhodes Park – Dog Park owners to explore installation of a gate between the two separate parks
- Research possible facility for a “10-thousand foot modern recreation center” to serve the Peninsula community
- Build a second Dog Park to serve the southern section of the Peninsula – opportunity for a Dog Park at NTC
- Inventory vacant lots and local school yards for possible additional recreational areas
