Subject: Sunset Cliffs Natural Park - Comprehensive Drainage Study

Hello –

Please accept this e-mail as notification for a public meeting for presentation of drainage alternatives for the Comprehensive Drainage Study for Sunset Cliffs Natural Park. The meeting is Wednesday evening July 20, from 6:30 – 8:30 p.m. at the Jim Howard Hall at Robb Field in Ocean Beach. Please forward this notice to anyone else you think would be interested. The link below should provide a map of the location.

The purpose of the meeting is to present the two selected alternative drainage strategies for both the Linear and Hillside parks. Information will be presented regarding costs, constructability, and general environmental impacts. We invite the public's questions and feedback and look forward to moving forward with a selected alternative once we have gathered feedback after this meeting.

Thanks,
