Vision Statement

Protect and serve the highest good for the residents and business of Liberty Station and the surrounding community.

Mission Statement

Oversee NTC Precise Plan adopted by the City, implemented by the Redevelopment Agency and Developers to ensure all obligations and responsibilities are met. Ensure transparency in all matters concerning NTC/Liberty Station.

Goals and Objectives

- Review NTC Precise Plan and address community questions regarding potential revisions to the plan.
- Collaborate with PCPB Parks and Recreation Sub-Committee regarding the USS Recruit restoration reuse, NTC Boat Channel remediation and Walking Bridge upgrades in order for conveyance to the City by 2015 and NTC Aquatics Center project.
- Conduct community outreach forums to solicit private/public partnerships to accomplish these tasks.
- Collaborate with PCPB Traffic/Transportation Subcommittee on all traffic matters impacting Liberty Station neighborhoods
- Review sign criteria in NTC Precise Plan to ensure city enforces sign ordinances.
- Collaborate with Liberty Station Community Association and P3 to address and resolve ongoing concerns.
- Track incremental Tax Credits and Transient Occupancy Tax (TOT) that directly benefit (39.18) NTC.
