The math is such that we cannot get a quorum. Mike and Paul have withdrawn from the subcommittee. So everyone is "excused" from thi afternoons meeting. I will show up at the library nontheless. Hope fully we will deal with reconstituting the committee at the regular PCPB meeting as an action item. Sorry for the inconvenience. If I don't see you before the holidays, have a wonderful merry Christmas and as Cammie says, Cheers.

add Brittany and Dedi ... still do not have a quorum ... If we don't have a quorum by e-mail by 2:30 pm ... I suggest the meeting be cancelled. I will nontheless show up to advise any strays who didn't get the "memo" of the fact of no quorum. Thanks for your patience. Norm

Norm, et al;

Please find revised EWS "draft" minutes version 2 (attached) for review at EWS meeting today after receiving committee member Ingram's comments yesterday. As far as a "quorum" needed to conduct EWS meeting today, five (5) PCPB members must be present if all four (4) community members are present. So far, 3 community members (Watkins, Ingram, Khalil) have confirmed attendance today with only 2 confirmed PCPB members (Allenby, Burgess).

Sincerely,

Suhail Khalil

Let's do a quick count for quorum purposes: Who will be available for tomorrow's meeting at 5 pm and who will not? ...
Thanks, Norm
