David Dick, and he read the new letter to the community. David Dick made a motion to approve the letter as written. Jerry Lohla seconded the motion. Margaret Virissimo opposes the letter. Vote was 10 in favor, Margaret opposed, Jim Hare abstained as he was not present at the prior meetings.

2. Rosecrans CPD at 634 Rosecrans Street. Mr. Jeff Rippee - Lawsuit has been settled, and house will be built within the scope of the lawsuit, and is lower than the previous presentation. Ms. Suzanna Frost opposes the current plan. Mr. Tom Frost opposes on behalf of his father's property regarding City right of way. Expressed concern over grading. Mark Krencik made a motion to approve project, Robert Tripp Jackson seconded. Board comments. David Dick requested clarification on finishes of the architecture of this project. Margaret thanked developer for coming. Jerry requested clarification regarding view. Fred Kosmo expressed his support. 11 in favor, Joe Holosak against.

3. West Point Loma Boulevard Evaluation - Esmeralda White presented Dana to discuss a class 2 bicycle facility. Would need to remove 69 parking spaces. James Condon shared that he lives in the area, and hopes the board has read the letter in support, and showed his support for the project. Brad Herrin read letter from Nicole Burgess requesting support on the project. Stefan Aulicino also lives in the area, and is seeking support in this project. Korla requested clarification regarding the road diet that was discussed last month. City said vehicle counts are too high for a road diet. A new study needs to be completed. Korla also expressed concerns regarding the parking issue, and feels the presentation is premature. Asked City if they have consulted with residents that would be affected by the parking on the street. Brad Herrin states Ocean Beach voted in favor of a road diet in their area. He feels the Midway Group seems to be doing the same. Is there a way to design route and save parking for the residents? What are the other options? Fred Kosmo discussed the congestion on that street, and wants the residents to be involved in the planning. Can't add to the congestion. Sarah feels she would need to look at the area further, and feels we need to do our part as a community to promote walking and biking. Jim Hare requested clarification about affected parking spot. Need to look at locations where the parking will be removed, and look at the residential vs. commercial. Joe Holasek requested clarification regarding the connectivity of the bike lanes, and the bicycle/pedestrian sharing. Also expressed concerns about the speed differentials between bicycles and vehicles. Scott asked if sidewalks are an option for this area. Margaret asked if there are green lanes in the area. Sarah Moga Alemany made a motion that the board to support a study into having a bike lane without committing to support in the final project, Robert seconds. David Dick asking if an entire complex be contacted regarding changes to their parking, and recommends flyers on the vehicles. Opposes a road diet, and any study that could lead to a road diet. Jim Hare asked for another clarification on the parking spaces affected. Motion withdrawn. Board asks the City to return with further information and planning on the project. City will return after studies are done. They came here to get

our approval to remove the parking spaces. Will continue the study, and will come back to get present.

4. Correia Middle School Easement Vacation - Michael Hada. Discussed the vacating of an existing water easement. The school wants the easement removed for future development. Community asking for clarification on the easement, and why now. Joe Holosek comments regarding the easement being a paper easement with no value. David Dick explains what the current construction is. Asked what will be going over the current easement location. Margaret asking why board was not contacted regarding this project. David Dick advised board and community that the school district does not have to go through the normal procedures. Mark made a motion to support the vacancy of the easement, seconded by Joe. 11 in favor, Margaret abstained needing more information.

5. Ghio 2 Units CDP - Lee Hope discussed the project at 2832 Upshur Street to demolish existing building and making a duplex. Lucky Morrison requesting changes to subcommittee meeting times to be more inclusive to the community instead of catering to the developers for 5, 6, 7. Carol Baldwin asking if project is a current rental property, and will this become multiple rentals, and requested clarification on parking requirements. Korla Equinta discussed parking rules. And asked for lot size vs. square footage. Robert Tripp Jackson asked for location clarification. Margaret makes a motion to approve. Joe seconds the motion.
