RE: Traffic Mitigations in the Vicinity of Sunset Cliffs Blvd

The Peninsula Community Planning Board (PCPB) is in support of the community driven approach being taken to address much needed traffic mitigations in the vicinity of Sunset Cliffs City park and Sunset Cliffs Blvd to help calm traffic at Sunset Cliffs City Park.

Specifically, the PCPB is in support of the immediate installation of the following identified traffic mitigations to help slow down traffic and help increase pedestrian safety in the neighborhoods surrounding Sunset Cliffs Blvd.

- The installation of a stop sign on the North and South bound lanes on Devonshire Drive on the corner Devonshire Drive and Leon Street.
- The installation of a stop sign and associated crosswalk on the corner of Osprey Street and Sunset Cliffs Blvd.
- The installation of a stop sign on the corner of Osprey Street and Devonshire Drive.
- The installation of a stop sign on the corner of Guizot Street and Leon Street.

Thank you for your support and time and consideration on this matter.

Sincerely,

Frederick Kosmo,
PCPB-Chair
