RE: Proposed Traffic Mitigations on the corner of Chatsworth Blvd and Plumosa Dr

The Peninsula Community Planning Board (PCPB) is in support of the resident-initiated request directly to Councilmember Zapf's office in October 2018 for traffic mitigations to be installed on the corner of Chatsworth Blvd and Plumosa Dr in the vicinity of Plumosa Park, Encl 1 refers.

The proposed pedestrian led traffic beacon and associated crosswalk will help make crossing Chatsworth Blvd safer for pedestrians and allow greater community access to Plumosa Park.

Thank you for your support and time and consideration on this matter.

Sincerely,

Frederick Kosmo,
PCPB-Chair
