RE: Letter of Support Famosa Canyon / site 428

Dear Members of the City Council

The Point Loma Recreation Advisory Group asks the City of San Diego to reconsider the San Diego Housing Commission's sale of the five-acre Famosa Canyon parcel located on the southeast corner of Nimitz and Famosa Blvds to an out-of-town organization for \$800,000 and explore other options for the 5 acre site.

The Point Loma Recreation Advisory Group voted unanimously to request that the City of San Diego negotiate the sale of the Famosa Canyon to Park and Recreation so that the Famosa Canyon Parcels remains a passive park and open space.

Thank you for your time and consideration on this matter.

Sincerely,

Point Loma Recreation Advisory Group
Mike Moser
Acting Chair
