RE: Request a flashing beacon to be installed by Varona Street and Catalina Blvd in close proximity to the fire station.

The Peninsula Community Board and community members would like to advocate for a flashing beacon for safety improvements by Varona Street and Catalina Blvd. At the discretion of the city, we respectfully request the following mitigations:

- Installation of a flashing beacon

We believe these recommendations would help improve the safety and visibility of pedestrians utilizing the flashing beacon at this intersection. The flashing beacon will help with the summer concerts, sports little league games and other wellness activities that take place at the Point Loma Park Baseball Fields and Point Loma Community Park.

The letter was approved with a vote of 00-00.

Thank you for your support and time and consideration on this matter.

Sincerely,

Frederick Kosmo, PCPB-Chair
