**Peninsula Community Planning Board (PCPB)**  
**On-line Virtual Meeting**

- A. **PARLIAMENTARY ITEMS:** Called to order 6:02 pm  
Board members present: Javier Saunders, Christine Smith, Sam Laub, Andrew Hollingworth, Jacqueline Greulich
- B. **REVIEW AND APPROVE MINUTES:**  
JavierS motioned (SamL 2<sup>nd</sup>) to approve July 08, 2026 minutes. Approved 4-0 (JG abstained)
- C. **NON-AGENDA PUBLIC COMMENT:**
- AndrewH commented that PCPB should evaluate a streamlined process for responding to legislative matters, such as state bills and City budget process. He noted that requiring full Board pre-approval for all communications limits the PCPB's ability to provide comment on fast-moving items. He suggested selecting delegates to advocate for PCPB's position for urgent matters.
  - ChristineS noted that the Midway/Pacific Highway Community Plan states that their area lacks park space and community amenities and relies on surrounding communities, including Peninsula's library and Point Loma, OB, and Mission Bay parks. She noted that while this is not an issue by itself, Midway's forecasted population growth should be factored into the surrounding communities' parks and amenities calculations.
  - JacquelineG commented that Robb Field and other Peninsula parks are already heavily used for city-wide program, such as soccer leagues, and that such uses should be factored into the park deficit calculations, particularly in light of the Midway Rising and NAVWAR development projects. She stated that the City appears to be overlooking the impact of new projects on surrounding community's amenities.
- D. **ISSUES FOR DISCUSSION OR TO POTENTIALLY TAKE ACTION ON:**
- a. Midway Rising bills passed in Sacramento, veto request letters for SB 344 and SB 958 (Sam Laub/Andrew Hollingworth)  
AndrewH summarized SB 344 and SB 958 and presented two letters asking Gov. Newsom to veto both bills.
