RE: Patriots Half Marathon

The Peninsula Community Planning Board (PCPB) would like to extend and convey its support for the **Patriots Half Marathon** scheduled to occur in the Point Loma community on a weekend to be determined in October 2019. Our support is contingent on this event receiving regulatory approvals and coordination with the Park service.

This event raises awareness and appreciation for our military, with the United States Navy as one of the sponsors. The race will take place in the morning, starting at Cabrillo National Monument, running through the heart of Point Loma over to Liberty Station, and ending at Harbor Island.

The Boy Scouts of America from San Diego will be lining the course, in uniform, holding photos of our fallen military Hero's that are buried at Fort Rosecrans. Non-profit sponsor is Warrior Foundation Freedom Station here in San Diego. The PCPB is excited to support such an event in alignment with the local business communities and hope to see the energy and support for our military continue strong for years to come.

Sincerely,

A handwritten signature in black ink that reads "Robert A. Goldyn". The signature is written in a cursive style with a large, sweeping flourish at the end.
