2. List any education / experiences which you feel qualify you for this job:

Current CA real estate license--I know the local area extremely well.

3. Provide your involvement (years) or memberships in local community / business organizations:

I'm a member of The Thursday Club, which is a local women's organization that strives to give of our time to our community. I'm active in my kids' sports (locally) and my kids' school (locally). Growing up I was in MADCAPs, so I have been active in philanthropic efforts in this community my entire life. I'm a 3rd generation San Diegan, 2nd generation Point Loman.

4. Share your special interests, expertise or philosophy as it relates to the Peninsula Community:

(Almost born) but completely raised in PL, I love to be on, in or near the water. I love to run the Cliffs. I love to run Shelter Island and just be outdoors. I love being able to be on Rosecrans and still see the water and the tops of the boats. I am all for improving the Peninsula, but not removing its character and charm.

5. Share anything you wish to accomplish as a member of the board:

I would like to see the height restrictions adhered to...I'd like to keep growth to a minimum...I'd like to see traffic congestion helped...I'd like to see traffic violations actually punished. As a mom, I want this community to be more like how it was when I was growing up, safe and with the ability to let my kids go out and play and not worry about them. I believe that the community should be not be so focused on development. Density is not the answer. Let what little open, undeveloped spaces we have left here stay that way.
