**3. Provide your involvement (years) or memberships in local community / business organizations:**

I have been on the PCPB on two occasions. beginning in 2006. The last term I won was a hotly contested vote the required two run-off elections that I won with almost 800 community votes. I served as chair on two occasions after two chairs abruptly resigned.

**4. Share your special interests, expertise or philosophy as it relates to the Peninsula Community:**

I have lived in Pt. Loma for 38 years. I raised my children here and they attended all the Pt. Loma schools. I love this community and I believe it is under great pressure for development more to make money than help the community. Development will happen but it needs to be carefully monitored.

**5. Share anything you wish to accomplish as a member of the board:**

I believe the community planning groups are there to represent the community, to give people a chance to voice their concerns. I feel that the current board favors the City of San Diego over the community. I would like to be a voice for those who are not getting heard.
