**1. Identify your affiliation within the Peninsula Community. Include property address, number of years in residence, and business name if applicable.**

- Property Owner (sole or partial owner of record of real property within the peninsula community):  
46 YEARS
- Resident (address of primary residence within the peninsula community):  
805 SILVERGATE AVE., SD 92106, 53 YEARS

*Board use only - Verified by elections subcommittee member:*

**2. List any education / experiences which you feel qualify you for this job:**

As a journalist I covered 16 cities and agencies at all levels. The major issues involved land use matters, something the planning board is tasked with. I have observed governments working well, and some failing to respond to the public.

**3. Provide your involvement (years) or memberships in local community / business organizations:**

I am a volunteer stepping in when organizations do not: Examples: Voltaire Street Bridge beautification, pocket park on Avenida de Portugal, relocation of recycling center next to housing. I help business start-ups, creating local jobs. I belong or network with several organizations.

**4. Share your special interests, expertise or philosophy as it relates to the Peninsula Community:**

I have served on the planning board for six years, been secretary and parliamentarian (two years), and chair the Park and Recreation Committee.

**5. Share anything you wish to accomplish as a member of the board:**

I want to protect the quality of life on the Point. Our last five acres of open space including wetlands are threatened by development. North Chapel is about to be turned into a business with historic windows removed. Condos would block access to Kellogg Beach.

**6. Below is a current list of the standing committees and liaisons of the PCPB. Check any in which you would be interested in joining or supporting.**
