TO: Gary Pence, Senior Traffic Engineer City of San Diego Transportation and Storm Water Dept

INFO: Dr. Jennifer Campbell, District 2 Councilmember

ENCL: (1) City of San Diego Traffic Mitigations on the corner of Chatsworth Blvd and Plumosa Dr

RE: Proposed Traffic Mitigations on the corner of Chatsworth Blvd and Plumosa Dr

The Peninsula Community Planning Board (PCPB) is in support of the resident-initiated request for traffic mitigations to be installed on the corner of Chatsworth Blvd and Plumosa Dr in the vicinity of Plumosa Park, Encl 1 refers.

The PCPB would recommend that the city investigate whether the bulb out curb as outlined in encl (1) could be rounded softly so that a bicyclist could access the bulb out area if unable to merge safely into the narrowed travel lane.

The proposed pedestrian led traffic beacon and associated crosswalk will help make crossing Chatsworth Blvd safer for pedestrians and allow greater community access to Plumosa Park.

Thank you for your support and time and consideration on this matter.

Sincerely,

Frederick Kosmo,  
PCPB-Chair

ENCL (1)
