To Whom It May Concern,

I am writing to provide an enthusiastic recommendation for Mateo Mori, who has been an outstanding contributor as a Student Liaison on the Peninsula Community Planning Board's Environmental Committee. Mateo's dedication, commitment to environmental causes, and his remarkable achievements during his tenure make him a highly commendable candidate for any future endeavors that require leadership and a passion for sustainability.

Mateo served as one of our high school liaisons, playing a pivotal role in strengthening the connection between our organization and the youth community. His primary responsibility was to collaborate with his fellow liaisons on impactful environmental initiatives. One of the most noteworthy projects that Mateo spearheaded was the creation of a persuasive letter requesting the placement of additional recycling bins throughout our community.

This initiative was a pressing need, as it directly tackled a prominent environmental issue in our area. Mateo demonstrated exceptional research and writing skills in crafting this letter, effectively conveying the importance of responsible waste management and its positive impact on our environment. His ability to articulate these ideas clearly and convincingly reflects his commitment to and advocacy for sustainability.

Furthermore, Mateo and his fellow high school liaisons organized and successfully executed a community cleanup event at Sunset Cliffs Natural Park. This event not only showcased their leadership qualities but also made a tangible difference in our community by removing litter and promoting a sense of responsibility towards our shared natural spaces.

In conclusion, Mateo Mori's exceptional dedication, leadership abilities, and his passion for environmentalism make him an exceptional candidate for any future initiatives he may pursue. His efforts in championing the cause of additional recycling bins and his pivotal role in the organization and execution of the community cleanup event at Sunset Cliffs Natural Park stand as testament to his unwavering commitment to making a positive impact on our community and environment.

If you require any additional information or have specific inquiries, please do not hesitate to contact me at [pspbsd@gmail.com](mailto:pspbsd@gmail.com). I wholeheartedly recommend Mateo Mori for any future opportunities, and I am more than willing to provide any further support or insights you may require.

Sincerely,

Fred Kosmo,  
Chair, PCPB
