Traffic and Transportation Committee Peninsula Community Planning Board(PCPB) Agenda

1. Parliamentary Items

- a. Call to order
- b. Review and Approval of Meeting Minutes from **June 2025** meeting
- c. Non-Agenda Public Comment- 3 minutes maximum per speaker

2. Action Items

- a. Discuss and review speeding on Cordova, Devonshire and Ladera. The stop signs at the gore point of Sunset Cliffs and Cordova, south Guizot- Dalana
- b. Discuss installing a lighted crosswalk at Catalina near Pt. Loma Little League and Parks. Discuss previous letter submitted (attached). Angela/Mandy
- c. Bicycle safety westbound on Canon Street between Evergreen Street and Valemont. The street is very narrow and many riders ride up on the sidewalk to protect themselves from westbound vehicles. After Valemont, the street is much wider with an appropriate bicycle lane. However, with the completion of the Canon Street Mini-park, cyclists can no longer safely, easily move off the raised sidewalk to the bike lane. A curb cut/ramp near the area of Canon and Valemont would make it safer for cyclists. Dalana
- d. Bike posts should be removed maybe another 50' on Nimitz NB approaching the W. Pt Loma Blvd. intersection - right turning traffic gets stuck behind the signal backup. Dalana
- e.

3. Informational Items / Discussion

- a. The speeding issue on Sunset Cliffs streets would seem to be problematic if the "Coastal Resilience Plan" to one way Sunset Cliffs Blvd south bound and force northbound traffic onto Cordova is done. The Long Range Planning Subcommittee just met and has a draft letter to oppose the one-way proposal. The main proponents at the meeting were Surfriders organization.
- b. City coordinated street closures during peak times. Catalina Blvd has taken forever to complete and weekday detours are a hassle, especially with school now started. Traffic moving over to Chatsworth sees a backup south of Dana to PLHS in the morning.
- c. Is there a fix for the steel plates over the sinkhole at Canon and Talbot?

4. Next Meeting to be held on November 11, 2025
