Subject: Endorsement for Sunbreak Ranch and Request for City Participation

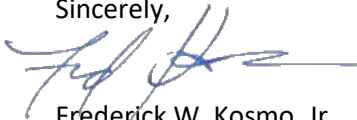

The Peninsula Community Planning Board (PCPB) endorses Sunbreak Ranch's innovative plan to address the homelessness crisis in our community. Sunbreak Ranch, a nonprofit organization, aligns with our community values and offers a comprehensive solution to make a lasting positive impact on the lives of unhoused individuals in the City of San Diego.

Sunbreak Ranch's plan provides temporary shelter, removing unhoused individuals from our streets and public spaces while offering a unique set of amenities that address diverse needs. Real-time dashboards for shelter and employment opportunities reflect Sunbreak Ranch's commitment to empowering residents toward stability. Collaboration with reputable organizations, such as Father Joe's, Alpha Project, and Salvation Army, showcases a collective effort in addressing homelessness.

Emphasizing education, health services, job training, and recreation, Sunbreak Ranch demonstrates a holistic approach to rehabilitation. The PCPB urges the City of San Diego to actively participate with Sunbreak Ranch in finding a suitable and environmentally safe site within the city or county. We request ongoing community engagement and transparent updates throughout the site selection process.

Thank you for your attention to this matter, and we look forward to a collaborative partnership between Sunbreak Ranch and the City of San Diego. The letter was unanimously approved with a vote of 12-0.

Sincerely,

Frederick W. Kosmo, Jr.
PCPB Chair
