RE: Road hump installation on Evergreen St, Jarvis St, Ingelow St and Hugo St.

The Peninsula Community Planning Board and community members would like to advocate in support of the installation of two road humps on Evergreen St, one between Jarvis St and Ingelow St, and another one between Ingelow St and Hugo St.

- Installation of road humps on Evergreen St, Jarvis St, Ingelow St and Hugo St.

The citizens previously circulated the petition to the Engineering and Asset Management Division, which had the approval of one hundred percent of the fronting property owners. We believe the road hump recommendation would help to slow traffic down in the area.

The letter was approved with a vote of 10-0
Thank you for your support and time on this matter.

Sincerely,
