RE: PCPB Bylaws Amendment to add Environmental Subcommittee

Pursuant to Article II, Section 7 of our Bylaws, at our June 17, 2021 Board Meeting, the Peninsula Community Planning Board (PCPB) voted unanimously 13-0 to amend the PCPB Bylaws to add an Environmental Subcommittee as a permanent standing Subcommittee.

Given the important environmental issues currently facing our Point Loma community, we feel it is important to have a standing Subcommittee to address these issues. Accordingly, we seek to amend Article VI, Section 2(b) to add the Environmental Subcommittee as a standing Subcommittee of the PCPB.

Pursuant to Article II, Section 7 of the PCPB Bylaws, we are sending this Proposed Bylaws Amendment to the Mayor and City Attorney for review and approval before it goes into effect. Once you have had an opportunity to review this PCPB Bylaws Amendment, please let me know if it meets with your approval.

If you have any questions, you can contact me at fkosmo@wilsonurerkosmo.com. Thanks.

Sincerely,

Frederick Kosmo,
PCPB-Chair
